

Declaration over Michigan

From Gina Gholston prophecy:

We declare, that we the remnant warriors in Michigan have not forgotten God and His promise for Michigan. With our prophetic eyes we see in the name “Michigan” – “Michigan will see Me again.”

We see an unstoppable flow of Holy Ghost power in Michigan that sets things in motion to reveal and uncover, then to revive and recover!

We declare a bubbling up of water like a geyser and even erupting like a geyser. This swell of an underground current will rise up in Michigan and it will burst forth and form into a wave of justice that will impact the nation. The Master Lion Jesus' roar is being heard from Michigan.

We declare a wave comes forth from the geyser, with the face of a lion and a mighty roar. We decree that which was once muzzled in Michigan is getting back its voice. Michigan is again God's mouthpiece and is releasing God's sound like the sound of many waters that reverberates throughout the nation.

We declare that God's power is twirling over Michigan in an unstoppable spin breaking the surface to relieve the pressure from the "swell" of God's manifested glory. Reformation is pushing forth. The die is cast and cannot be stopped. The geyser is being released.

We declare that Michigan, though it is the shape of a mitten, is a boxing glove and is about to deliver a knock-out blow; an unexpected and fatal blow to a major agenda that is at work in this nation. We, the remnant warriors in Michigan are lacing up our gloves and will deliver a shocking upper cut and a giant in this nation will fall!

From Apostle Barbara Yoder prophecy:

We declare we are in a critical breakthrough moment in the state of Michigan, a “kairos” window is open. In this strategic moment we are turning the battle at the gates. In this season we are releasing THE VOICE from Michigan.

We declare the portals of heaven have opened as they did for Jacob when the angels ascended and descended. There is a heavenly defense coming to America now from the north to the south, east to the west. There are companies of angels being released on assignments. For what has been shall not be. For we shall recover a nation that honors the babies. We'll recover a nation that honors justice; we'll recover a nation that has liberty and honor for all.

We join ourselves in agreement with our Michigan brothers and sisters today. We decree that we will see Almighty God again! We decree that the spiritual geyser spoken of is erupting and bursting forth into a wave of justice in our nation. We decree we release God's voice and deliver a knock-out punch from Michigan!
