

My Pledge to Purity

Father, on this day, June 4, 2023, I enter into this solemn covenant with You. I aspire to be one of Your sons/daughters who has a perfect heart. I take the vow of the Nazarite to be one who is separated and consecrated unto You for sacred and Kingdom purposes.

Like Daniel, I declare that it is settled inside of me, my heart is fixed and my mind is made up; "I will not defile myself at the king's table."

I declare that I have a sincere, innocent, morally, and ethically pure heart. I declare that I am empowered by Holy Spirit to say an emphatic, immediate, bold, "NO," to the desires of the flesh and all of Satan's temptations. I declare that I am a man/woman of purity; I am a man/woman of God.

Therefore, I declare according to Matthew 5:8 that because I have a pure heart I see and encounter You. I also declare that according to II Chronicles 16:9 that Your eyes are upon me to show Yourself strong to me and through me.

By the authority and in the name of the Risen, Exalted Jesus!
